

§ 640.111 Content of State certification.

(a) The State certification will include the following:

(1) The name of the State highway/transportation agency and the legal authority which permits such agency to accomplish the policies and objectives contained in or issued pursuant to title 23, U.S.C.;

(2) A statement of the programs, phases of work, and classes of projects or combinations thereof that the State is including in the certification being submitted for acceptance;

(3) For submissions providing full or partial coverage of projects as provided in § 640.107(c), a listing of the title 23, U.S.C., policies and objectives and citation of State laws, regulations, directives, and standards that will be applied. Any policies and objectives that are not applicable due to partial coverage may be omitted; and

(4) A description of the State's methods for assuring local government knowledge of and compliance with State and Federal requirements where they will perform services on projects administered under CA.

(b) Existing assurances and formal agreements between the State and the FHWA with respect to equal employment opportunity, current billing, and control of outdoor advertising will continue in full force and effect and may be incorporated by reference. Likewise, the State's procedures accepted under 23 U.S.C. 109(h) may be incorporated by reference.

(c) State certifications are to be signed by the chief official of the State highway/transportation agency and submitted to the FHWA Division Administrator.

§ 640.113 Procedures.

(a) Authorization by the FHWA to proceed with work on a CA project will be in response to a written request from the State highway/transportation agency.

(b) If the State finds that exceptions to CA procedures or standards are appropriate on a project, the State will justify and document such decisions.

(c) A project agreement, or modification to a project agreement, will be ex-

ecuted as required by 23 CFR Part 630, subpart C, Project Agreements.

(d) The FHWA may accept projects based on inspections of a type and frequency necessary to ensure the projects are completed in accordance with appropriate standards. The State is to notify the FHWA when a project is complete and/or ready for such inspection and will certify that the plans, design, and construction for the project were in accord with the laws, regulations, directives, and standards contained in the State certification or such project exceptions as were approved by the State.

(e) Revisions or amendments to State certifications will be made when necessary and processed as provided in § 640.111(c). The existing State certification is to be reviewed periodically to determine its adequacy in light of this part, the statutes in effect at the time of the review, and the operational reviews made by FHWA.

§ 640.115 Evaluations.

(a) The FHWA may conduct periodic evaluations, as deemed appropriate, of the State's operations under CA. These evaluations may include coverage of any or all areas of the State's administration of CA projects.

(b) If a failure to comply with Federal or State laws occurs and the State is unable or unwilling to effect corrective action of the deficiency, an evaluation report, including recommendations, will be prepared by the FHWA as a basis for considering whether acceptance of the State certification should be rescinded under § 640.117.

§ 640.117 Rescission of State certification.

The acceptance of a State certification may be rescinded at any time upon request of the State or if considered necessary by the FHWA to protect the Federal interest. The rescission may be applied to all or part of the programs or projects covered in the State certification.
